

**“East Japan Earthquake – One Year and Beyond:
Major Reconstruction Unfolds in 2012”**

In March 2011, Japan was hit by a catastrophic earthquake and tsunami. This also led to an accident at the Fukushima-Daiichi nuclear power plant. Please join us as Japan’s Consul-General Susumu Fukuda summarizes the impact of the disaster and discusses the current status of the recovery.

**Monday, 5 March, 2012
